LITTLE DREAMERS

Creative Learning Program

Come let your little one dream away with us!

The Academy is proud to bring back the very popular "Little Dreamers Creative Learning Program". This program was developed as an opportunity for children ages 3-5 to explore their imagination and fine tune their skills. Each day is filled with lots of activities, such as: ballet, tap, tumbling, singing, creative movement, arts & crafts and story time. Our goals are to develop pre-school level fundamentals, gross motor skills, coordination and rhythm, social awareness and most of all self-assurance in a fun, loving and motivational environment.
