

If there are too many volunteers for one class, some may be asked to work with children from another class. During their class' performance, class mothers leave the students with a backstage volunteer and watch the dance from the auditorium. Class moms are not allowed to enter the stage area. Due to high activity going on backstage and in the wings, only dance teachers and assistants will be allowed in the wings.

Sign-up begins March 1 for backstage moms. Please see your class teacher in order to sign-up, not the studio office. Teachers will be giving out additional detailed information as we near the recital date.
